NATIONAL SPACE SOCIETY
OF AUSTRALIA LTD

SYDNEY CHAPTER

Meets: Second Monday of the Month - 7:30pm
Sydney Observatory
Watson Road, The Rocks

Chapters Australia-wide. Meet with other members who share your interest in space. As a member you will follow the progress of national and international space programs as well as the development of private enterprise and scientific research on the final frontier.

Listen to special guest speakers, attend workshops and conferences, watch exclusive video presentations and enjoy social outings with other members.
